Unconditional Parenting Moving From Rewards

Alfie Kohn (born October 15, 1957) is an American author and lecturer in the areas of education, parenting, and human behavior. He is a proponent of progressive education and has offered critiques of many traditional aspects of parenting, managing, and American society more generally, drawing in each case from social science research.. Kohn's challenges to widely accepted theories and practices ...

CHEO - Parenting: General

Time-out is a form of behavioral modification that involves temporarily separating a person from an environment where as unacceptable behavior has occurred. The goal is to remove that person from an enriched, enjoyable environment, and therefore lead to extinction of the offending behavior. It is an educational and parenting technique recommended by most pediatricians and developmental ...

Building Your Child's Self-Esteem: 9 Secrets Every Parent Needs to Know Self-esteem is your sense of personal worth. It encompasses both self-confidence and self-acceptance. In part, healthy self-esteem comes from your awareness of the value you add to your family and the community.

Self Esteem and Your Child's Motivation

Cultural impact In some countries, childrearing is considered protective nurturing. Children are not rushed into new experiences like toilet training or being in school. In other countries, children are commonly treated in a harsh, strict manner, using shame or corporal punishment for discipline .In Central American nations, toilet training may begin as early as when the child can sit upright.
