"After Rain" by William Trevor Trevor was born (in 1928) and brought up in rural Ireland but has lived in Devon, England since the 1950s. Although he has written novels, he is best known for his short stories and he is widely regarded as one of the greatest contemporary writers of short stories in the English language.

Reviews of fiction books - Roger Darlington

The relationship between disease and good health has received relatively little attention in mental health. Resilience can be viewed as a defence mechanism, which enables people to thrive in the face of adversity and improving resilience may be an important target for treatment and prophylaxis.
