5th February 2015. In the UK, companies are legally required to adhere to certain practices that ensure discrimination is eliminated and expectations of equality are always met in the workplace.

### **Understanding Equality And Diversity In The Workplace ...**

The "business case for diversity" stems from the progression of the models of diversity within the workplace since the 1960s. The original model for diversity was situated around affirmative action drawing strength from the law and a need to comply with equal opportunity employment objectives. This compliance-based model gave rise to the idea that tokenism was the reason an individual was hired ...

The term multiculturalism has a range of meanings within the contexts of sociology, of political philosophy, and of colloquial use. In sociology and in everyday usage, it is a synonym for "ethnic pluralism", with the two terms often used interchangeably, for example, a cultural pluralism in which various ethnic groups collaborate and enter into a dialogue with one another without having to ...
