Political change can feel elusive, until the dam bursts. Deus ex machina was the ancient Greek theatrical convention of resolving the unresolvable by crane-lifting a god on to the stage to make everything better again through divine fiat. Right now, a bit of deus ex machina sounds pretty sweet. Many people hoped that special counsel Robert Mueller's Russia probe would play that role in the US.

From the get go, many people would think that something like an overseas assignment or an overseas operation would involve the military. It certainly has a very army-like ring when spoken, but overseas assignment and operation can actually involve investigative services and the operatives that work for any investigative service.

Hitmen who specialize strictly in murder for hire aren't really real, or maybe very, very rare outside of fiction. Petty criminal, domestic abuser, and sick thrill killer Richard 'The Iceman' Kuklinski got a lot of press claiming to be a hit man for the mob, but it looks a lot like he made a bunch of shit up.
